**We do not climb higher than a 3-step ladder (provided to you). Higher items will only be dusted w/ an extension duster. We cannot move furniture, but we will try to reach all visible places either by hand or with an extension duster. Most homes have at least one chandelier or a vaulted ceiling fan that we cannot reach by hand. We do not open any drawer, cabinet, or door, including bedroom doors, please leave them open for service. We cannot guarantee the results of mini-blind cleaning. We are not responsible for damages to blinds. Please allow for some dust resettlement after we leave, we try to limit the dust in the air but cannot prevent this entirely.*

It is presumed that the home will be in order and somewhat picked up to facilitate proper cleaning. At A.C.T. we're creating free time for busy people. We'll focus on your home while you focus on your free time, allowing you more time with family and friends.

Our goal is to exceed your expectations. If we have not, and you are not satisfied with your cleaning, please call our owner within 24 business hours of your cleaning.
